Pameran Seni Rupa  
Tribute to OHD

Syang Art Space

# *Di Atas Rata-Rata*

Seorang Indonesia berumur 80 adalah seorang warga di atas rata-rata dalam usia, ikhtiar, dan kiprah hidup. Dr Oei Hong Djien, OHD, atau Pak Dokter adalah seorang warga Indonesia di atas rata-rata dengan ikhtiar dan kiprah hidup yang mengesankan di dunia seni rupa Indonesia.

Pada umurnya yang ke-80 tahun, dr Oei Hong Djien, OHD, atau Pak Dokter menghablurkan apa yang pernah dikemukakan seorang arif dari Barat: Mengoleksi karya seni rupa bisa jadi sebentuk penyakit cinta. Keindahan bisa jadi sangat menggiurkan, tapi karya seni rupa bukan sekadar indah. Banyak yang tampak aneh dan ganjil—terutama dalam karya seni rupa kontemporer. Itu sebabnya, mengoleksi karya seni rupa bukan hanya ihwal menyimpan benda-benda estetis di suatu tempat, tapi juga merawatnya dengan citra, ingatan, dan makna—apalagi jika itu karya seni rupa kontemporer.

Saya yakin dr Oei Hong Djien, OHD, atau Pak Dokter menginsafi itu di setiap waktu luang estetiknya—sehingga selalu memungkinkannya untuk menempatkan citra, ingatan, dan makna itu di museumnya bernama OHD Museum sebagai yang kontemporer—yang kini dan di sini—yang senantiasa berikhtiar merawat sesuatu yang baik dari masa lalu dan mengambil sesuatu yang lebih baik dari masa kini.

Keinsafan itu pun merupakan sesuatu di atas rata-rata ikhtiar dan kiprah hidup kolektor-kolektor seni rupa di Indonesia. Maka bisa dimengerti jika seorang pengamat pasar seni rupa terkemuka dari Barat mendaulatnya sebagai salah seorang “pembuat selera baru” (the new taste-maker) di dunia seni rupa—and OHD Museum adalah salah satu ruang seni rupa swasta di dunia yang mengisi peran yang tak bisa—atau tak mau—diambil oleh negara.

Atas keinsafan tersebut, kami—Museum dan Tanah Liat (MDTL), Sicincin Indonesia Contemporary Art (SICA), dan Syang Art Space (SAS)—beroleh hikmah untuk mangayubagya hari jadinya kedelapan puluh dengan pameran seni rupa bertajuk “Delapan Puluh nan Ampuh”—yang mengusung pusparagam karya 19 seni rupawan yang tinggal dan berkarya di Yogyakarta ini: Agus TBR, Andi Ramdani, Ayu Arista Murti, Deden FG, Duvrart Angelo, Hayatuddin bin David, Iabadiou Piko, Iqi Qoror, Laksmi Sitaresmi, Lelyana Kurniawati, M. A. Roziq, M Lugas Syllabus, Nanang Widjaya, Riduan, Rismanto, Rudi Hendriatno, Seno Andrianto, Taufik Ermas, dan Utin Rini.
