ADI GUNAWAN is a distinguished contemporary artist known for his distinctive sculptures.

His work stands out for its unique blend of traditional techniques and modern themes, creating pieces that engage viewers both visually and intellectually. Adi Gunawan has earned significant recognition in the art world. With a growing reputation in the art world, Adi Gunawan's pieces has been featured in prominent exhibitions and has garnered critical acclaim.

VRSCHIKASANA

140 x 130 x 200 cm

The elegance and strength of the human body in the graceful scorpion pose. This sculpture represents the perfect harmony between balance, flexibility, and inner focus. With the body arched upward and legs extended, it symbolizes the resilience and control needed to reach such a powerful state of being. The piece reflects the beauty of personal discipline and the calmness that arises from deep concentration, inviting viewers to admire the delicate balance between strength and serenity in their own lives.

THE GOLDEN KEEPSAKE

134 x 123 x 151 cm

The profound treasures we carry through life, both seen and unseen. The stark contrast between her and the luminous bag highlights the intrinsic value and rarity of personal treasures that are often hidden from the world. This piece invites to contemplate the significance of what we hold dear — the priceless treasures that define our journeys and enrich our existence. Through its refined depiction, the piece emphasizes that the truest riches are those we keep closest to our hearts, serving as beacons that guide us through life's myriad paths.

LEAP OF TOGETHERNESS

each 33 x 25 x 22 cm

A couple at a pivotal moment, poised to take a playful, trusting leap. This enchanting piece symbolizes all the joy of shared adventures and the deep trust between partners, embodying the sentiment of "you jump, I jump." It embraces the excitement and spontaneity of embarking on life's bold ventures together, as well as the thrill of mutual support and the magic of facing new challenges hand in hand in every step of the way. With its lively portrayal of romance and courage, the piece highlights the beauty of taking daring steps together.

ECHOES OF THE MIND

108 x 86 x 105 cm

Whispers of memories intertwined with the present, each reflection a fragment of her soul. This piece speaks to the intimacy of moments that define ourselves, portraying the silent exchange between her present self and the memories that continue to guide her. It celebrates the timeless bond between her moments and her identity, reflecting a deep personal connection that endures beyond words. Through its serene portrayal, the piece invites to appreciate the quiet strength and beauty of our inner dialogues, which shape who we are and persist throughout our lives, until the day that we die

THE GREATEST

101 x 77 x 70 cm

The greatness that emerges from resolute perseverance and steadfast commitment. The power and achievement that arise from confronting challenges with unyielding resolve. It reflects how enduring dedication and continuous diligence lead to extraordinary accomplishments. By highlighting the journey of unwavering dedication, the piece inspires viewers to appreciate the remarkable successes that emerge from relentless effort and the determination to surmount any obstacle.

STRENGTH IN UNITY

134 x 123 x 151 cm

The powerful image of unity, embodying the strength and determination that comes from collaboration. This piece highlights the extraordinary achievements possible when people work together towards a common goal, showing that even the most daunting challenges can be overcome with collective effort, which is in essence the potential to achieve great things when united in purpose. It serves as a testament to the remarkable feats that can be accomplished when we join forces, reminding us of the power of teamwork and shared strength.

THE MOMENT, SEIZED

60 x 90 x 25 cm

Taking advantage of a fleeting opportunity. This piece depicts a figure in the act of reaching for an apple, symbolizing the boldness and decisiveness required to grasp chances as they arise. The piece celebrates the spirit of seizing moments with courage and initiative, reflecting the exhilaration of acting on one's ambitions and desires. Through this dynamic representation, the artwork invites to recognize and embrace their opportunities with similar boldness.

ONE LESSON AT A TIME

113 x 58 x 90 cm

The journey of personal growth & learning, emphasizing that wisdom is gained gradually. The bull represents strength & perseverance, while the book signifies knowledge and discovery. Together, they illustrate that each lesson learned contributes to a larger journey, encouraging viewers to embrace the process of continuous learning and personal development with patience as well as determination. It invites us to reflect on the value of each incremental step in our own path to enlightenment and achievement.

ONE JOURNEY AT A TIME

112 x 62 x 90 cm

The spirit of adventure and exploration. This piece represents the idea that each journey, no matter how unconventional, is a unique experience to be cherished. It invites viewers to appreciate the excitement of embarking on new adventures and to find value in each step of their personal voyages. The piece encourages us to celebrate the spontaneity and richness of life's diverse travels, reminding us that every journey contributes to our broader story.

ONE STEP AT A TIME

56 x 55 x 87 cm

Each step is a promise of support and love. The piece represents the journey of life, where a mother gently leads her daughter through life; a moment of shared love, guidance and trust. It symbolizes the timeless connection of nurturing and the quiet strength that comes from knowing you are not walking alone. In this moment, words are unnecessary; their bond speaks of trust and the quiet strength that comes from being by each other's side. This love celebrates the beauty of growing together, hand in hand, through life's challenges and joys.

NEW KID ON THE BLOCK

75 x 80 x 40 cm

The harmony between motion and melody. The rhythm of life and the freedom of the open road converge. This piece captures the courage to stay true to oneself, especially in unfamiliar territory. It celebrates the defiance of societal expectations, the strength to forge ahead, and the unwavering confidence to keep moving forward, no matter what others say. The piece is a reminder that even as the "new kid," it's about staying focused, fighting for your place, and owning your unique path.

THE HARVEST RIDE

69 x 55 x 40 cm

A whimsical journey where abundance and joy take center stage. The piece portrays a figure riding a vespa loaded with an array of pigs, symbolizing prosperity and the fruitful rewards of hard work. This playful and vibrant piece celebrates the idea of reaping the benefits of one's efforts with a sense of adventure and delight. It invites viewers to reflect on the joyful and unexpected rewards that come from pursuing their passions and embracing opportunities.

ROAD TO PLENTY

55 x 60 x 31 cm

A playful take on the pursuit of prosperity. This captivating piece highlights the charm of the unexpected journeys in life and the joy found in unconventional paths to success. With its lively depiction and playful spirit, it celebrates the idea that the road to abundance is not just about reaching a goal but also about savoring all the unique experiences it brings along the way. This piece serves as a reminder that the pursuit of one's dreams can be as fulfilling and enjoyable as the achievements themselves.

SANKHARA

Kilo
COLLECTIVE

Antonius Richard, founder of RAD+ar, led a team that included designer Michellin Sonia in creating the booth for Kilo Kitchen Jakarta, which has received extensive recognition in various architectural explorations and experiments. Their work has been praised for its seamless blend of sustainable innovation and sensitivity to the local context. This distinctive approach has solidified RAD+ar's reputation as a visionary architectural firm in Jakarta, with projects that exemplify the firm's commitment to pioneering solutions that are both forward-thinking and harmoniously connected to the local environment.

Kilo Kitchen Jakarta's bar area designed by RAD+ar significantly elevates the dining experience by offering a unique selection of artisan cocktails, premium wines, and unique signature drinks. Every design element has been carefully considered to strike a harmonious balance between functionality and aesthetics. From the choice of materials to the layout, each aspect contributes to a visually captivating environment. This meticulously crafted bar area not only serves as a backdrop for socializing but also as a focal point of modern design. The immersive experience it offers makes it an attractive destination for both casual diners and architecture enthusiasts alike.

STAY WITH ME

59 x 33 x 45 cm

A tender and intimate moment shared between two lovers in a kiss that embodies connection and trust. The sculpture reflects the deep emotional bond that unites them, where love is both a comfort and a promise. It symbolizes the desire to hold onto each other, not just in this fleeting moment, but as a lasting commitment. "Stay with Me" reminds us that love is about presence and devotion, a timeless expression of closeness that speaks to the heart's yearning to never be apart.

FATHER AND SON

65 x 85 x 40 cm

A timeless moment of bonding and guidance as they ride together on a horse, symbolizing the passing of wisdom, strength, and trust from one generation to the next. This sculpture reflects the deep connection between father and son, a journey shared in unity and mutual respect. It embodies the nurturing role of a father, leading his son through the journey of life, offering protection, knowledge, and love. "Father and Son" is a celebration of the enduring bond that shapes both the rider and the path ahead.
