Gudang Gambar

It all began about 25 years ago. Believing that a little step taken daily builds up the hope of great accomplishment, Gudang Gambar started as a humble home gallery. The name of Gudang Gambar itself says it all, a painting warehouse. With a vision in mind and a determination at heart, we focus on providing quality paintings and personalized service. Our commitment is to establishing a trusted relationship with the clients, both seasoned collectors and first-time art buyers alike.

Today, that humble living room has transformed into a cozy and delightful gallery with alluring exhibits, such a feast for the eyes and the soul. Yet, despite this success, we always strive to stay true to our original idea, providing quality paintings for everyone. We take great pleasure in helping our clients choose contemporary paintings that are relevant to their likings.

Gudang Gambar is built on quality paintings, new and unconventional collections, personalized services and solid teamwork. All of these has enabled the gallery to earn the trust from the clients and the recognition from exhibition organizations, both at national and international stage.

Our gallery has participated in various exhibitions, including Affordable Art Fair in Singapore and Hong Kong as well as Jakarta and Art Moments in Jakarta. This participation is a testament to the recognition and the trust on the credibility of our gallery. Naturally, they also opened the doors for the gallery to present our collections to wider audiences.

The highs and lows that color our journey has been a rewarding one. A respectable gallery that is managed professionally by a great team we proudly call Gudang Gambar family. Our collections have been shared by the collectors, both local and international residents. We will always be more than happy to share them with you, too. Today and in many years to come.

To us, our story is your paintings.
