Welcome to "Other Me," an exploration of the intricate realm of alter egos through the lens of contemporary art. This exhibition delves into the duality that exists within each artist, unveiling the alternate selves that lurk beneath the surface. Through a diverse array of mediums, these works invite you to ponder the multiplicity of identity, blurring the lines between reality and the personas we adopt.

From paintings that mirror emotional landscapes to sculptures embodying internal struggles, each piece offers a unique perspective on the complexities of human nature.
